

## Donating is easy!

*Donations can be made online, mailed to the local office, or submitted on race day. For mailed donations, please make sure you note which team and team members your gift is supporting. That way your donations will be credited toward your team's fundraising goal.*

### **What is the difference between making a general donation to the team and donating to an individual on a team?**

When a donor gives to the team rather than a specific team member, the donation will show up on the team page scrollbar, not your personal page. All money donated to individuals on your team and to your team in general will be reflected in your team donation count.

### **Can friends and family make a donation to a participant by going through the main website?**

Yes. On the home page of the website, friends and family can locate a participant by clicking on "Search Participant." They can type in a name to be directed to that person's personal fundraising page.

### **How can I see who has donated to me?**

Login on the site by entering the username and password that you received when you registered. You can then view your donor list and amounts.

### **Some of my donors are not showing up on my scroll. Why?**

As your donors make a contribution, they have the option of choosing whether they want to appear in the recognition scroll.

### **Are donations tax-deductible?**

The Autism Society of North Carolina is a tax-exempt organization under IRS Federal Section 501(c)3. Donations made to the Run/Walk for Autism are tax-deductible. Donors should consult their tax advisors to determine the full value of their donation. Registration fees are not tax-deductible.
