

Easterseals/CA/ Volleyball Challenge Fundraising Idea Toolkit

We cannot thank you enough for registering for the 2024 Easterseals/CA/ Volleyball Challenge. Our event would not be successful without your support.

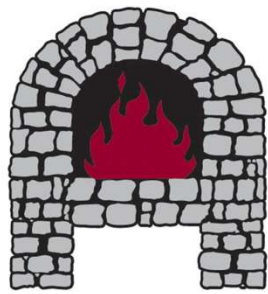

To help get your fundraising wheels turning, we created this toolkit with some ideas of local companies who host fundraising events for non-profits like Easterseals. This is a one stop shop with information about fundraisers, locations and how to get started.

If you have any questions, please contact Missy Baker at mbaker@esdel.org
Also, if you know of any fundraisers we do not have listed, please let us know! We would love to add to this list!

There are two ways of viewing this toolkit. You can scroll through the entire document, or click the name of the event below and it will take you right to the appropriate page!
