### INGREDIENTS:

1 1/3 cup pumpkin puree  
1/2 cup peanut butter  
4 large eggs  
5-6 cups whole wheat flour

### DIRECTIONS:

Preheat oven to 350 degrees F.

Line a baking sheet with parchment paper or a silicone baking mat; set aside.

In the bowl of an electric mixer fitted with the paddle attachment, beat pumpkin puree, peanut butter and eggs on medium-high until well combined, about 1-2 minutes. Gradually add 2 1/2 cups flour at low speed, beating just until incorporated. Add an additional 1/4 cup flour at a time just until the dough is no longer sticky.

Working on a lightly floured surface, knead the dough 3-4 times until it comes together. Using a rolling pin, roll the dough to 1/4-inch thickness. Using cookie cutters, cut out desired shapes and place onto the prepared baking sheet.

Place into oven and bake until the edges are golden brown, about 20-25 minutes.\*

Let cool completely.

### NOTES:

\*Baking time will vary depending on the size and thickness of the treats. Serving size will also vary depending on the desired shapes and cookie cutters used.
