

BENEFITS OF MAKING A GIFT OF SECURITIES

GIFTS OF SECURITIES

Gifts of securities are a cost-effective opportunity to transform an asset into immediate and significant support for benefit of Sinai Health. By donating appreciated stocks, mutual funds, stock options or flow-through shares, donors pay no tax on the capital gains, receive a tax receipt for the fair market value of the securities and reduce their taxes.

WHY SINAI HEALTH

Sinai Health was founded on a belief that the community thrives when everyone is treated with dignity. Our culture of belonging is what continues to set Sinai Health apart, even today. When we think about what makes a great hospital, doctors who bring each other cups of coffee and porters who chat with waiting patients may seem trivial. But in fact, they are examples of the close-knit culture and extraordinary care on which we pride ourselves.

A gift of securities to Sinai Health is an extension of those values. Your gift will support a community-focused hospital that cares for the whole person, at every stage of life.

THE ADVANTAGE OF DONATING SECURITIES

A gift of appreciated securities is a worthwhile alternative to a cash gift. Flexible choices allow you to decide how you want to give, and the elimination of capital gains tax on gifts of appreciated securities provides you with a substantial tax incentive for donating stock.

THE BENEFITS OF DONATING SECURITIES:

- Satisfaction of seeing your gift put to good use today
- A charitable tax receipt
- No capital gains tax paid

YOUR CHOICES WHEN GIVING SECURITIES:

- Giving immediately or as part of your will planning
- Donating part of your stock and retaining the remainder for personal use
- Employee stock options
- Flow-through shares
