TUESDAY APRIL 9 2024

One million people are living with a primary brain tumor in the US and 94,350 more will be diagnosed in 2024. Those with a malignant tumor experience a 35.7% relative survival rate. Your support is critical. Visit SBTF.org to learn more.

All proceeds benefit the Southeastern Brain Tumor Foundation. Since inception in 1995, the SBTF has awarded over \$3,000,000 in research grants, more than \$164,000 in educational scholarships to 76 students, offered 900+ acts of kindness to patients, welcomed more than 550 support group members into thousands of meetings and offer countless resources to the brain tumor community.

Our mission would not be possible without the continued support of our generous sponsors.

\$15,000 funds a research project

\$10,000 funds six scholarships

\$7,500 funds acts of kindness for 150 patients

\$5,000 funds a support group for 6 months
