

Prizes and Incentives

Why Fundraise?

1. Your support and efforts help change lives through future-boosting dreams!
2. You can win prizes and awards! **We have something for everyone.** Share how Sunshine creates positivity and optimism in children's lives and see the support you receive!

How to start:

- Log in to your Participant Centre (*Splash Pad*) and personalize your fundraising page.
- Make a list of all your contacts and start asking for donations.
- Plan a fundraising event for your network!
- Contact Sunshine's Chief Splash Officer for assistance with any of the above, or to brainstorm ideas.
 - events@sunshine.ca

Your Participant Centre:

Step 1

Personalize your fundraising page with a great message to let everyone know **WHY** you're making a splash to raise funds for The Sunshine Foundation of Canada. Participants raise even more money when their page is personalized with a photo and story!

Step 2

Invite all your friends and family to donate or ask them to join you! Build your team to compete in the Splash Challenges, complete the Splash-tivities, and raise funds.

Step 3

Start fundraising! Check out your thermometer to track your progress. By reaching the top team fundraising milestone (\$6,000), your team will **fund a dream in 2023** and change the life of a child living with severe physical disabilities!
