MAKE A SPLASH THIS AUGUST
SIGN UP TODAY!

FUNDRAISE | SPLASH | WIN PRIZES

The Great Canadian Splash for Kids is one of Sunshine’s signature virtual fundraisers. Get involved in fun water-themed challenges this August to raise funds and help make dreams come true for kids from coast-to-coast living with severe physical disabilities or life-threatening illnesses.

Who: Anyone can join! All ages and abilities can participate. Registration is a \$20 tax receipted donation.

What to expect: Fundraise and complete the three fun and easy challenges and bonus “splash-tivity”. We encourage you to get creative and inspire your neighbours, friends, family, and colleagues to donate along the way. Reach the fundraising milestones and win great prizes. Then help make a bigger splash and post your completed challenges on social media! Spread the word.

When: Complete your challenges any time between August 1 – 31st, 2021

Where: Any location you choose!

Help raise awareness of the mental-health boosting impact of a Sunshine Dream and fundraise to support more dreams come true for kids near you.

This year, our goal is to raise \$20,000 to make more dreams possible! Your support will help ensure dreams (like receiving adaptive technology to connect with peers and online learning) are possible.

Gather your water gear, fundraise, and #SplashForKids
