

Need Help Reaching Your Fundraising Goal?

HOW TO GET STARTED

- **REGISTER AT** www.curesarcoma.org/race-to-cure-sarcoma. Create your personal TEAM. Once you register, be sure to check out your resource's hub.
- **INVOLVE** family, friends and co-workers – invite them to join your team!
- **RACE TO THE TOP** – set your individual and team goal.
- **FOLLOW** us on Twitter, YouTube, Instagram, LinkedIn, TikTok and Facebook to stay in the loop.
- **TAKE PICTURES** of your team and share on the RTCS Individual Facebook pages and on Instagram.
- **GO SOCIAL!** On your social media accounts, use #CureSarcoma #sarcoma #cancer

Tools for Success

SOCIAL MEDIA TOOLS

Inspire and thank supporters with memes and cover images on Facebook, Twitter and wherever you post.

SHARE YOUR STORY

Upload images and/or videos to enhance your story and help connect donors to why you are fundraising.

CREATE A FACEBOOK FUNDRAISER

People who connect their fundraising to Facebook raise more!

Recruit team members and ask them each to raise \$250 to help reach your team goal!

MATCHING GIFTS

Increase the impact of your donation!

Did you know that many employers will match your charitable contribution?

HOST AN EVENT

Plan to host a bake sale, auction, or community event to support your team's goal.

WEB BANNERS

Highlight your fundraising with a banner on your website, blog, or Facebook page.

More Fundraising Ideas

Tailgate Party

Host a watch party to fundraise for sarcoma research while rooting for your favorite sports team

Host an Auction

Solicit items from local businesses to auction at an event.

Host a Dinner

Invite friends and family to your home or favorite restaurant and ask them to donate \$100 each.

Social Media

Recruit team members and ask each one to raise a minimum of \$250 to help reach your team goal!

Your fundraiser helps change lives

The majority of SFA's funding comes from generous donors and supporters like you. SFA uses donations to focus on what matters most — supporting patients and critical research for sarcoma.

Did you know? More than 17,000 people will be diagnosed with sarcoma this year. Sarcoma is the leading pediatric cancer, making up 15% of cancers in children under the age of 20.
